

Dear

Congratulations!

Your child has been identified as a student who would be ideally suited to participate in the University of Wollongong's Learning Labs Program (please tick):

- **LITTLE LEARNING LABS (YEARS 1 - 2)** 3rd - 5th July, 2023
- **EARLY LEARNING LABS (YEARS 3 - 6)** 11th - 13th July, 2023
- **LEARNING LABS (YEARS 7 - 10)** 5th - 7th July, 2023

Learning Labs is an enrichment program for high achieving students presented by the Outreach and Widening Participation Unit at the University of Wollongong. Workshops run over one and two-days and are a great opportunity for students to explore their areas of interest.

There will be diverse and innovative workshops presented by academics and teachers with specialist training or a specific interest area. We aim for our workshops to be fun, fast-paced and challenging!

For more detailed workshop descriptions, how to apply, workshop fees and the online application form, please go to:
uow.info/learninglabs

Should your child be interested in attending any of our Learning Labs programs, please fill out the application form on the website under 'available workshops and how to apply' in the relevant Learning Labs stream. The application is an online form. Please make sure to read all the information so you are well informed of the process.

This letter can be used as your child's 'supporting documentation' to attend the program. Please upload this letter with your application form.

In the past the workshops have been fully booked so fill out the application form as soon as possible. Students have the option of attending a two day and/or one day workshop. Please only select workshops that your child is willing and excited to attend.

Applications close Wednesday, 10th May, 2023.

If you have any questions, please contact the Outreach and Widening Participation office via email at learning-labs@uow.edu.au

Yours sincerely,

Sarah Smith
