

CHECKLIST FOR NON-LOCAL APPLICATIONS FOR ENROLMENT INTO YEAR 7 2023

Students living within Engadine High School's intake area are local students. All other students are welcome to apply as non-local students.

Engadine High School has limited non-local places available. Whilst preference will be given to siblings of currently enrolled students, there may be instances where siblings are not offered placement at the school because the demand for non-local enrolment exceeds the available places below the enrolment buffer as determined by the school enrolment cap.

Please follow the below steps to apply for a non-local placement in Year 7 2023.

1. **COMPLETE Expression of Interest for Placement in Year 7, 2023 in a NSW Government School**

All Year 6 students at government primary schools will be issued with an *Expression of Interest for Placement in Year 7, 2023 in a NSW Government School* form. If your child does not attend a government primary school you may obtain a form from Engadine High School or the Department of Education- Miranda Office.

Section C of this form must be completed with Engadine High School as Choice 1, 2 or 3. **Only Choice 1 applications are considered when offering places in Round 1.**

2. **COMPLETE Year 7 2023 Engadine High School Application for Non-Local Students form (attached)**

Please provide all relevant information on the form attached as Engadine High School's Placement Panel will use this information to process all applications. Please note that no single criterion will guarantee automatic placement.

3. **SUPPLY Supporting Documentation**

Applicants are encouraged to provide supporting documentation (maximum 4 pages) that demonstrates how the applicant meets the non-local selection criteria.

Please do not send DVDs or PowerPoint presentations, as the enrolment panel will not consider digital material. Please do not send original copies of certificates or documents as this material cannot be returned.

Selection for Engadine High does not depend upon student ability, performance or achievement. Documentation will support a better understanding of your child's approach to learning and their peers as a basis for their future success at Engadine High School. In order to ensure procedural fairness, the panel will not consider additional information that is not submitted at the time of application.
